

# IBM ThinkPad X41 Battery Replacement

This guide will be a helpful source for step-by-step guidance when replacing laptop's battery.

Written By: Magaly Espinoza

## INTRODUCTION

Individuals will be able to replace their laptop's battery following these quick and easy steps.

## Step 1 — Battery

- Turn laptop over, make sure lid side is faced down.

## Step 2

- Locate battery release button lock on laptop, and press down.

## Step 3

- Hold laptop battery release button and gently pull battery away from laptop.

To reassemble your device, follow these instructions in reverse order.
